STAT

Dear [REDACTED]

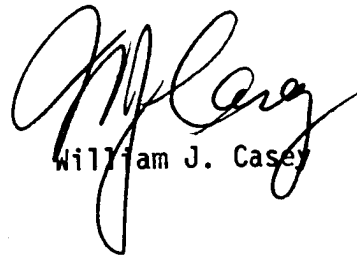

I was most pleased to learn from [REDACTED] that you have agreed to serve on my Science and Technology Advisory Panel (STAP), and I want to take this opportunity to welcome you aboard.

STAT

I rely on STAP to give me an independent view of important S&T matters and I'm sure that your perspective and background will serve the Panel and me well. In recent months STAP has worked on a number of topics with significant national security implications, including relocatable targets and SDI to name but two. Your input on these and other issues should prove very valuable.

Once again, welcome aboard. I look forward to seeing you at the STAP meeting at the end of May.

Sincerely,

William J. Casey
